UNIVERSITY CALENDAR.

*Notification.*

The calendar of the University for 1912 is now under preparation. That portion of Volume II of the calendar relating to the alphabetical list of graduates is carefully revised from year to year by the University office. It is, however, presumed that the list contains the names of many deceased graduates, and that the column "occupation" sometimes gives incorrect and insufficient information. The Registrar will be obliged to graduates and others for information in the following form, to enable the office to correct the list and bring it up to date

The Registrar will be glad to receive intimation from time to time of the changes in the occupation of graduates and of the names, if any, of the deceased graduates. Such information when given should be as complete as possible so as to enable the office to amend the list correctly.
